

Real Fyre

MADE IN CALIFORNIA

Choose from a wide selection of the most beautiful looking gas fire products available, designed for externally vented fireplaces (chimneys). Real Fyre traditional gas logs are hand crafted and hand painted to be incredibly realistic, and equally beautiful with or without a fire burning. Get ahold of us at Rock River Chimney & Fireplace to learn more.

American Hearth

MADE IN ILLINOIS

Truly a unique and beautiful line of gas logs that will not disappoint!
